Good evening and welcome to Saltergate for the fourth meeting of the season between the Spireites and Bolton Wanderers. We certainly have a score to settle with the Lancashire side following the heavy league defeat back in October and the F.A. Cup replay set back a month later. Their cup run came to an abrupt end in the second round when high flying Port Vale beat them 2-1 at Burnden Park. They are still involved in the Sherpa-Van Trophy however, having beaten Wrexham in the Northern Quarter-Final.

After a bright start to the season during which they held a top 3 place in early October, Phil Neal's team have suffered a steady decline in form and now find themselves hovering dangerously close to the relegation zone. Their away form has let them down with only 2 league victories coming away from home - at Aldershot and Huddersfield.

Prior to Saturday's fixture Bolton had won just once in 7 league games with joint leading scorers Thompson and Morgan failing to find the net since early January. Defeat for the Trotters tonight will set up a nervous end of season run-in which could result in a quick return to Division Four.

Between the Chesterfield posts tonight should be £20,000 signing from Notts County, Mick Leonard, making his first home appearance since the move was made permanent last week. The likeable goalkeeper is highly rated by Paul Hart who worked with him, of course, during his time at Meadow Lane. Mick becomes the fourth Keeper to be used by the Blues this season following on from Jim Brown, Mick Astbury and Steve Cherry. Good luck Mick!

The Slimathon has just a fortnight to run, with over £1200 already banked and lots more to come from the sponsorship forms. Please throw a few more coins into Jim's bucket tonight.

TOP TEN TONY

Tony Brien appears in the top ten of Match Magazine's recent player of the month ratings. His consistent displays earned an average mark of 7.60 to put him level with Gavin Peacock (Gillingham), David Lee (Bury), and David Felgate - the goalkeeper for tonight's visitors. Wigan's Chris Dobson and Paul Clark of Southend tied for first place with an average mark of 8.00.

RACE NIGHT

A reminder that the Supporters Club are holding a Race Night in the social club on Wednesday 29th March. Admission is by 50p programme. The fun commences at 7.30 pm with the first race starting at 8 pm. It's not too late to sponsor a horse (2) or a race (£20), anyone interested should contact any member of the Supporters Club committee.

AWAY TRAVEL

The next away game is this coming Saturday when the Blues travel to Aldershot. Coaches depart 9.45 am and the fare is £8. Please book early.

PROGRAMME SALE

Chris Kendall of 4 Well Yard, Holbrook, Derbyshire has a good selection of Chesterfield programmes for sale. A 22p S.A.E secures a list.

HART BEAT

Welcome everybody, once again, to Saltergate for this important fixture against Bolton Wanderers. A very warm welcome to Phil Neal, Mick Brown and all from Bolton, a club with great traditions.

Just after Chris and I arrived at the Club, we played out two exciting matches in the F.A.Cup against Bolton, which taught us a great deal about our players' fitness and attitudes. I know Bolton will find us a different proposition this time!

At this point, I would like to thank you for your marvellous support at the Southend game. The vociferous support we received throughout the 90 minutes spurred us on to what proved to be a very difficult match. I thought the players showed great depth of character after going 1-0 behind, to rally and eventually win through a superbly taken Dave Waller goal.

There is still a long way to go until the end of the season, but I can promise that everyone at Chesterfield Football Club is giving 100% and if as they say, hard work guarantees success then better times are on the horizon.

Enjoy the game!

IN TOWN TODAY: BOLTON WANDERERS

Bolton Wanderers were happy to make their first experience of fourth division a brief one. Just 12 months after suffering the body blow of losing out in the play-offs, and dropping in the basement for the first time, the Trotters clinched promotion in dramatic fashion on the final day of last season at Wrexham.

Bolton's ground has undergone significant changes. This season is seeing for the first time, football and supermarket shopping operating side by side, following the completion of the superstore-sports complex on the famous old Embankment end of Burnden Park. Despite extensive work on safety, segregation and improvements, the ground still holds 27,000 although it may need the good times of the Nat Lofthouse era or more recently, the promotion to division one under Ian Greaves in 1978, to see crowds anywhere nearing the capacity.

The Bolton side of present can match the best in our division on their day. On the recent visit to Wolves, it took one pure piece of magic by Steve Bull to sink Phil Neal's team. Up to that stage in the match, Bolton had looked very composed. Bull's goal, with his back to goal, a turn and a terrific left foot shot, led Neal to state; "Internationals wouldn't have stopped that. It was some goal, but I thought we certainly showed we could compete with the best in the LEAGUE."

PHIL BROWN (RIGHT BACK)

Not the former Chesterfield striker, although this full back does have an attacking mind. A new comer to Bolton this season, Phil cost £16,000 from Halifax Town. He started his career at Hartlepool in 1978 and played over 200 games for the north easterners before joining Halifax in 1985. Born in South Shields, Phil scored 19 goals in 135 league appearances for the Yorkshire side, not a bad record for a defender. Age 29.

BARRY COWDRILL (LEFT BACK)

Another newcomer this term, Barry joined Wanderers from West Bromwich Albion during the close season. He started his career with the Throstles in 1979 and 131 games later, ended his long spell with them. Barry also had a loan period with Rotherham last season. Age 32.

DEAN CROMBIE (CENTRAL DEFENCE/SWEEPER)

Dean joined Lincoln City in 1976 from local side Ruston Sports and made 33 appearances for the Imps before moving to Grimsby in 1978. There followed 320 games for the mariners before he moved to Burnden Park last season. Age 31.

MARK WINSTANLEY (CENTRAL DEFENCE)

A product of the Y.T.S, Mark made his first team debut while still on the scheme, at Bournemouth back in March 1986. The St.Helens born defender made his home debut against local rivals Blackpool in a 3-1 defeat, but his performances in the first three games saw Phil Neal quick to reward him with a full-time contract. Now a first team regular. Age 21.

STUART (MIDFIELD)

Stuart made the headlines when, as a relatively unknown youngster he joined Everton as part of the deal that also took Wayne Clarke from Birmingham City to Goodison Park. He started his career with one game for Mansfield in 1983-84 and last season had loan spells with Wigan and Bolton before joining the Trotters for £25,000. Age 22.

STORER

JULIAN DARBY (MIDFIELD)

Born in Bolton, Julian has progressed considerably since joining his home town club. He made his debut back in March 1986 in the same match as Mark Winstanley made his home debut. A former England Schoolboy International he made 40 appearances last season.

GARY HENSHAW (MIDFIELD)

Another former Grimsby player, Gary spent five seasons with the Mariners before joining Bolton last term. He scored on his debut for the Trotters at Crewe. Age 24.

STEVE THOMPSON (MIDFIELD)

Born in Oldham, Steve joined Bolton as an apprentice. A one club man he has made over 200 league appearances for the Trotters. Age 24.

ROBBIE SAVAGE (MIDFIELD)

Liverpool born Robbie joined his home town club at Anfield as an apprentice. Unable to make a break through, he had a loan spell with Wrexham before going on to play for Stoke, Bournemouth and Bradford, from where he joined Bolton in September 1987. Age 29.

JOHN THOMAS (FORWARD)

Started his career at Everton, but unable to make a breakthrough, John had loan spells at Tranmere and Halifax before joining Bolton for his first spell at Burnden park. He has since served Chester, Lincoln and Preston. Age 30.

TREVOR MORGAN (FORWARD)

An experienced striker whose league career began back in 1980 when he joined Bournemouth. Two spells with the Cherries brought 46 goals in 141 games, separated by 6 goals in 12 games for Mansfield. He has since had two spells with Bristol City, one at Exeter and knocked in 24 goals in 55 games for Bristol Rovers. Trevor joined Bolton last season. Age 32.

TROTTERS

Back Row - Left to Right: Ian Callaghan, Gary Henshaw, Paul Hughes, David Felgate, Julian Darby, Ian Stevens, Chris O'Brien.

Middle Row: Phil Neal (*Manager*), Steve Carroll (*Youth Coach*), Nicky Brookman, Gary Brown, Stuart Storer, Trevor Morgan, Dave McKearney, Bob Savage, Jeff Chandler, Mick Brown (*Coach*), Phil Stock (*Physio*).

Front Row: John Thomas, Steve Elliott, Phil Brown, Mark Came, Mark Winstanley, Dean Crombie, Barry Cowdrill, Steve Thompson.

MEET THE BOSS PHIL NEAL

Now 38 years of age, former England International. Phil is still registered as a player, but prefers to spend his matchdays in the dug-out nowadays. The Irchester born defender started his long and successful career with 186 games for Northampton Town before moving to Liverpool where he added a further 455 league and 174 cup appearances.

Between seasons 1975-76 and 1984-85, Phil missed just one league game for the Anfield side in a truly incredible spell of consistency. He joined Bolton in December 1985, and, nine appearances last season took his league total for the club to 59.

SPIREITE CONNECTION

IAN SEDDON

Born in Prestbury in October 1950, Ian started his career with today's visitors. An apprentice at Burnden Park, he signed professional for Bolton in June 1969 and went on to make 64 appearances scoring 4 goals before joining Chester in September 1973. It was whilst at Sealand Road that Ian had a short spell on loan at Saltergate. After a previous loan deal that saw four games for Stockport, he made just two appearances for Chesterfield in January 1976. The following month saw Cambridge sign the midfielder and he finished his career back in Lancashire with spells at Rochdale and Wigan.

RON PHILLIPS

A winger, Worsley born Ron was another to start his career with Bolton. From the Juniors at Burnden Park, he progressed to make 145 appearances scoring 17 goals after signing professional forms in October

1965. Ron joined Bury in June 1975, but the previous January saw him arrive for a loan spell at Saltergate where he made five appearances for the Blues. He finished his career at Chester City.

MALCOLM DARLING

It was from Luncarty Juniors that a 17 year old Malcolm joined Blackburn Rovers in October 1964. Five seasons later saw the striker on the move to Norwich. It was a brief stay in Norfolk, and Malcolm was soon back in the north-west with Rochdale. In September 1973 he joined Bolton, but made just six appearances for the Trotters before moving to Saltergate in August 1974. In three seasons with Chesterfield, Malcolm made 104 league appearances and netted 33 goals. After a loan spell at Stockport, he moved across the border to Hillsborough in the summer of 1977. However, he was to make just another four full appearances in his career; one for the Owls, two for Hartlepool, and after a spell at Morecambe one for Bury.

STAR MAN

DAVID FELGATE (GOALKEEPER)

Ever present and 'Player of the Year' just about sums up what sort of person 29 year old Dave had in 1987-88, as the Trotters gained promotion. Born in Blaenau Ffestiniog in the heart of North Wales slate mining country, he has been capped by his country at Schoolboy, Under-21 and full level. Dave started his career at his present club, but initially his only league experience came during loan spells with Rochdale and Crewe. He joined Lincoln in 1980 and made 198 league appearances for the Imps before moving to Grimsby in 1985, returning to Bolton in February 1986 on loan, signing permanently in February 1987.

SPIREITE IN PROFILE

SHANE GIBSON

NAME: Shane Michael Gibson
BORN: 3 Sept 1970. Chesterfield
HEIGHT: 6ft 11½ins
WEIGHT: 12st 7lbs
PREVIOUS CLUBS: None
HONOURS: County cup winner with Chesterfield Boys. Derbyshire U-16, U-19's. Midland Boys. Represented county at basketball.
GREATEST INFLUENCE ON CAREER: My parents along with Kevin Randall and Ernie Moss.
FAVOURITE OTHER CLUB: Liverpool
BEST GROUND PLAYED ON: City ground (Nottingham Forest)
MOST MEMORABLE MATCH: Playing for first team in friendly against Scarborough. (I was marked by my boyhood hero, Ernie Moss)
BEST GOAL SCORED: A header for Chesterfield Boys v Solihull
HIGHLIGHT OF CAREER: Joining my home town club.
MOST RESPECTED PLAYERS: Ernie Moss and Ian Rush
USUAL PRE-MATCH MEAL: Egg and Chips
BEST FRIEND IN FOOTBALL: Brian Ferguson and Sid Chambers
AMBITION WITHIN THE GAME: To enjoy a long and successful career in football.

A trio of Y.T.S lads have broken through to the first team this season; Gavin McDonald and David Hoole will be featured in future profiles but today we look at the short career of Shane Gibson.

For many followers of youth and reserve football at Saltergate it seems remarkable to think that Shane is still only 18 years old. The lofty striker has been involved with the club for 5 years having progressed through the juniors to the fringe of the first team squad. Jim Smallwood first noted Shane's potential and under the guidance of Kevin Randall and John Duncan he blossomed into a strong and consistent performer. Gibbo became one of the youngest ever boys to play for the reserves with several appearances to his credit as a 14 year old and he looked set to make his league debut earlier this season when he was named as substitute on 3 occasions, but he was not called into the action. His first senior appearance did arrive however in the recent Sherpa-Van Trophy victory over Cambridge. Shane is developing a growing interest in the coaching side of the game and is currently assisting the Under-16 squad. With a talent for both playing and coaching, Shane looks to have every chance of a successful career within the game.

"GIVE US A CALL"

The following article was sent in by the lads at the Badger, Brockwell Lane.
Using the names of British football clubs, fill in the blanks to complete the story. (It's not as easy as it seems.) The solution will appear in next week's programme.

WHAT THE GOVERNMENT'S IDENTITY CARD SCHEME WILL MEAN TO YOU

The Government plans to introduce a compulsory ID card scheme for football supporters in England and Wales. You, the fans, will have to buy an ID card if you wish to attend football matches. You will have to fill in an application form and provide a photograph before you can be issued with a card. Your personal details will be stored on a computer and monitored. Football supporters will be the only people in the country who are made to have ID cards.

On match days you will have to join a queue of people waiting to have their ID cards checked before you enter the ground. If the computer breaks down there will be chaos. Even if the computers are working normally there is a good chance that somebody in the queue in front of you will have a card that will cause you delay.

If you are opposed to this scheme, please write to your local MP at: The House of Commons, London SW1A 0AA and ask him or her to oppose the Government's proposals.

These are some of the points that you may like to make:

- * The ID card will not stop hooliganism (away from grounds).
- * The scheme could cause serious delays at turnstiles.
- * The bureaucracy and cost of the scheme will deter thousands from going to matches and could ruin smaller clubs.
- * Millions of law-abiding citizens including pensioners and season ticket holders are going to be inconvenienced by a scheme which will not benefit them, just to deal with a tiny minority of hooligans.

MATCH POINTS

A spectacular late winner from Dave Waller clinched the points in a hard fought encounter with fellow strugglers Southend United and lifted the Blues to their highest league position for 6 months. The striker anticipated a back pass from Spencer Prior as Andy Morris closed in and deftly rounded the goalkeeper before shooting home from a tight angle. Earlier, Bob Bloomer had brought an end to Chesterfield's 345 minute goal drought with his fourth successful spot-kick of the season following a handling offence by the unfortunate Prior. The penalty award appeared well overdue as referee Tyldesley had waved away strong appeals on 2 previous occasions for fouls on Morris and Waller.

Debutant goalkeeper Mick Leonard pulled off an excellent save in the early minutes but was given a largely comfortable opening half-hour as the Blues dominated play without breaking through the Shrimpers resolute defence. Southend stunned the home crowd with a 33rd minute strike against the run of play however - the impressive Butler firing a low shot through a crowd of players. The spireites second-half fightback was enough to seal an important victory and stretch our unbeaten home league record to 7 games over a 3 month period.

A few days before the Southend success, Chesterfield travelled to Griffin Park seeking to avenge the recent Sherpa-Van Trophy defeat. Coming so soon after the crushing setback at Preston, Paul Hart's young side showed considerable character and did enough to have returned to Derbyshire with a point. As it was, Brentford took the spoils thanks to a late Richard Cadette goal. The former Sheffield United man was clearly several yards offside when he received the ball, but the linesman kept his flag down to compound a number of strange decisions and Cadette ran on to beat the luckless Astbury just 6 minutes from the end. The Blues' best openings came in the first half when Bloomer headed narrowly over and Waller was unlucky to see his overhead kick strike a defender.

MIDLAND SENIOR LEAGUE CHESTERFIELD 0 WALSALL 4

Chesterfield were given a lesson in finishing last Tuesday evening when Walsall visited Saltergate and cruised home 4-0 winners. The Midlanders, fielding 7 first teamers, raced into a second minute lead as a right wing cross was converted from close range. The Blues made a fight of the first-half and did well to restrict the Saddlers to a 1-0 interval lead.

Clinical finishing led to the visitors effectively settling the contest with 2 goals in the opening 4 minutes of the second period. Substitute Dawsett came on for a limping Reece Simpson soon afterwards and Chesterfield hit their best spell of the match; McDonald wasted a gilt edged opportunity, Hewitt had a spectacular Volley blocked and Walsall came close to conceding an own goal.

Another swift right wing break saw the visitors make it 4-0 against the run of play with 23 minutes remaining and the defeat would have been even heavier but for a late penalty miss.

CUP HOPES GO WEST!

The Blues hopes of a league and cup double were dashed at West Green in a third round League Cup replay. Having pushed Chesterfield all the way at the Coalite ground 7 days earlier, the Barnsley outfit secured a semi-final place thanks to a first minute goal. The spireites never managed to get their game together on a quagmire of a pitch and at the end of the day the home side deserved their victory. Injuries played a key role in the Blues dramatic slump in form as midfielders Wadsworth and Blakemore along with central defender Paul Gregory were all unfit. Fitzpatrick battled gamely up front and goalkeeper Pearson worked hard but apart from a brief flurry at the start of the second-half, the youngsters were out of touch and rarely looked likely to recover the early deficit.

The Blues have an early chance for revenge when West Green visit the Coalite ground in a league fixture on Sunday morning, kick-off 11.30 am.

TEAM: Pearson, mathews, Goodwin, Sands, Hall, Wilmot, Fletcher, Pell, Fitzpatrick, West, Gibson, SUBS: Jones, Hewitt.

SHEFFIELD WEDNESDAY

The latest in a series of articles in which we look at selected meetings between Chesterfield and the current first division sides.

Chesterfield 4 Sheffield Wednesday 2. Wednesday 18th January 1933

The third round of the F.A. Cup in January 1933 found lowly second division Chesterfield drawn away to first division high fliers Sheffield Wednesday on Saturday 14th January. Before a crowd of 30,178 the Blues fought back gallantly from being two down to force a draw and a replay at Saltergate the following Wednesday afternoon.

Snow fell on both Monday and Tuesday and there were doubts as to whether the match would be on, but the groundstaff worked miracles in clearing the snow as it fell, and when Wednesday came, the pitch was declared fit. A crowd of 19,652 packed in at Saltergate and the receipts were £1252.3s 6d. The Sheepbridge Works Silver Prize Band provided the entertainment before the match and the tension mounted as the kick off drew near.

McIntyre the Chesterfield captain won the toss and set the Wednesday players facing the sun in the first half. It was one of the most sensational openings at Saltergate, for within three minutes Cook had given Chesterfield the lead. A clearance from the Wednesday keeper was snapped up by Cook who blasted the ball back into the net. This excellent start inspired the Blues players and they confidently began to put pressure on the visitors. Their determined play earned them further success in the 8th minute when Abel added a second goal, driving the ball into the net from a perfect centre by Austin. It was delightful to watch the movements of the Chesterfield forwards and the whole team displayed the will to win. Wednesday were not allowed to settle and Ashmore in the Chesterfield goal dealt easily with a couple of efforts from Strange. A corner kick in

the 18th minute led to Chesterfield's third goal. Austin put across a well-placed centre and Lee racing up met the ball perfectly to head into the top of the net. The Blues now had the Wednesday team shaking and in the 25th minute the score went up to 4-0 with the finest goal of the afternoon. Bacon collected the ball on the halfway line and, with a fine turn of speed, beat four opponents before leaving Brown in the Wednesday goal helpless with a well placed shot.

Chesterfield thoroughly deserved their 4-0 lead at the interval but it was a determined Wednesday that began the second half and within the first minute had pulled a goal back through Millership. The Blues goal was now under severe pressure and in the 58th minute Wednesday got their second goal when in a scramble in the mud, Stephenson breasted the ball into the net. Play was now fast and furious with Wednesday continuing to bear down on the Chesterfield goal, but Ashmore was in rare form bringing off some brilliant saves from Millership and Strange. He was ably assisted by full backs Wass and Kidd who defended bravely against numerous attacks. As the game drew to a close it was clear that Chesterfield had been the best team on the day in all departments.

It had been a great victory for Chesterfield, one of the most brilliant and sensational in the club's history.

The teams that day were:-

CHESTERFIELD: Ashmore, Wass, Kidd, McIntyre, Slimon, Poynton, Austin, Cook, Bacon, Lee. Abel
SHEFFIELD WEDNESDAY: Brown, Walker, Catlin, Strange, Leach, Malloch, Hooper, Starling, Millership, Stephenson, Rimmer.

HELPING THE GAME

The Football Trust receives £9 million annually from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zetters and spends it all on projects which benefit football throughout the United Kingdom.

Since 1979 it has been committed to the development of the game at every level and its broad and varying initiatives have ranged from essential safety work at Tottenham to social work at Toxteth, refurbishment at Wembley to repairs at Welling; closed circuit television at all League clubs to community facilities at Oldham Athletic, transport improvements at Sheffield Wednesday to storm damage in the South East of England, from policing costs at Hull City to an artificial pitch at Hyde United.

1988-89 will see The Football Trust increase its commitment by investing further sums in closed circuit television, transport facilities for supporters and projects to bring Football League clubs closer to their local community.

WARNING

At the beginning of the season more than 110 League grounds in England, Wales and Scotland will be equipped with CLOSED CIRCUIT TELEVISION which has been funded by The Football Trust.

It is there to increase crowd safety and to help the police. Recording facilities enable film and photographs to be taken of disorder, which may subsequently be used in a court of law.

CLOSED CIRCUIT TELEVISION

SAFETY FIRST

Football grounds in England and Wales have reached their highest ever level of safety thanks to the £23,671,425 invested by the Football Grounds Improvement Trust since 1975.

Almost every League club has been assisted with essential safety work and further substantial sums have been spent to enable them to improve facilities. In the past year alone FGIT grants to Football League clubs totalled:

	£
Safety	2,254,723
Improvements	770,561

In addition to its safety programme, FGIT has also allocated £1.5 million to build or improve family and disabled facilities at League grounds during 1988.

PASSING BACK

20 YEARS AGO

Monday evening 10th March 1969 saw Chesterfield lose at home to Wrexham 1-0. The Blues had an off night, achieving little against the visitors strong defence. Keith Kettleborough created a few chances but the other forwards were closely marked and presented Wrexham with a few problems. The best two scoring attempts came from full-backs John Lumsden and Roy Hickton. Wrexham's goal came in the 73rd minute from their left winger and the game ended with the Blues striving to get an equalizer.

CHESTERFIELD: McNulty, Hickton, Lumsden, Pugh, Moyse, Phelan, Kettleborough, Randall, Moore, Bell, Martin.

15 YEARS AGO

A Wednesday afternoon match on the 13th March 1974 saw Chesterfield beat Cambridge United 3-0 at Saltergate. with Jim Brown on duty with the Scotland under-23 squad, Tingay was recalled to the side. The first goal came after 8 minutes when, from a Bellamy cross, Moss slotted home his 18th goal of the season. The Blues missed further chances and Cambridge threatened Tingay's goal near to half-time. Further chances fell to the Blues and in the 70th minute Holmes raced upfield to crash home a great goal. In the last minute the visitors conceded a penalty for hand-ball and McHale converted the spot kick.

Chesterfield: Tingay, Holmes, Burton, McHale, Winstanley, Barlow, Stott, Moss, Kowalski, Bellamy, Wilson.

Attendance: 3287

The day after this match, exactly 15 years ago today, Jim Brown was transferred to Sheffield United for around £90,000.

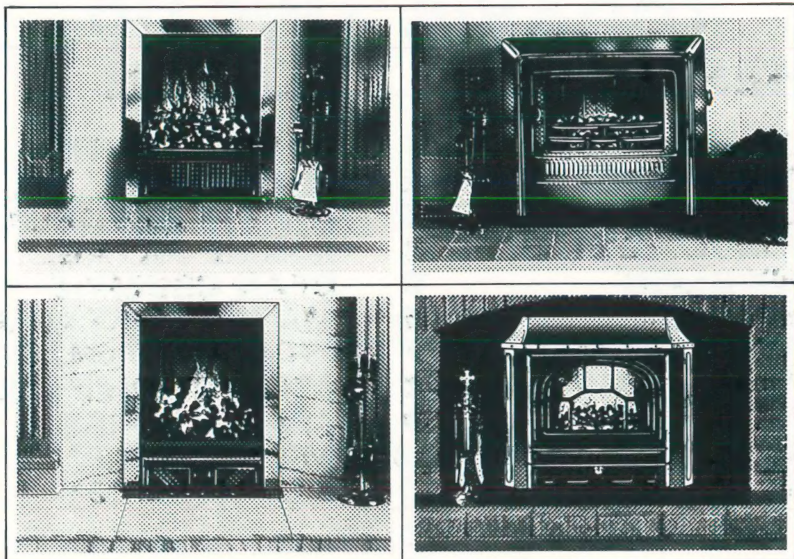

10 YEARS AGO

Chesterfield 5 Tranmere Rovers 2 was the result on Saturday 10th March 1979. In an action packed match the Blues gave their fans real value for money. Salmons broke through in the 5th minute to score the first goal but Ernie Moss made it 2-0 seven minutes later following a corner kick. The Blues went three up in the 26th minute when Walker netted after a goal mouth scramble. In the first minute of the second half Tranmere pulled a goal back, but it was little consolation as Salmons blasted in Chesterfield's fourth goal 5 minutes later. An own goal by Colin Tartt gave Tranmere their second goal in the 59th minute but Rod Fern converted a penalty for hand-ball to restore the 3 goal lead in the 62nd minute and the Blues stayed on top to the final whistle.

Chesterfield: Letheran, Tartt, Burton, Hunter, Cottan, Prophet, Heppollette, Moss, Fern, Salmons, Walker.

Attendance: 4000
